

■ ASSISTANCE

▪ **Bulk inventory upload:**

Have a lot of inventory that would take forever to post to your showroom one-by-one? Have FurnitureFindex's staff programmically post your current inventory in one bulk load!

▪ **Listing upload and maintenance assistance:**

Want an introductory, person-to-person lesson on how to upload and maintain your showroom listings? FurnitureFindex is here to assist you. When you are ready, just contact us and sign-up.

▪ **Professional photography services:**

Need professional pictures for each item in your inventory? Inquire about FurnitureFindex's photography services, and increase the likelihood users will view your listing by adding one or more images.

▪ **Website creation with Embedded Showroom Solution:**

Want to create your own web presence and utilize the Embedded Showroom Solution? Ask FurnitureFindex's web designers for help. We can create a unique look just for you and add you to the growing number of businesses already present on the World Wide Web!

▪ **Add one-click eCommerce with Embedded Showroom Solution:**

Does your website already have eCommerce? Add FurnitureFindex's one-click eCommerce technology to make access, from your showroom listing to your shopping cart, just one-click away!

ADVERTISING

Company branded listings using Hosted Showroom Solution:

Make consumers feel confident in the quality and dependability of your sale items. All your listings will be branded with your corporate identity.

Home Improvement and Services Directory advertising:

Make it easy for users to find professional help, and add your company to FurnitureFind's Home Improvement and Services Directory. After finding a listing they want to purchase in your showroom, users are more likely to choose a recommended service from our directory, than to outsource and search another website.

Banner advertising on FurnitureFind:

Get your company advertised throughout the FurnitureFind website. Check out the following template to see which placement or size best suits you:

The screenshot shows the FurnitureFind.com website interface with several advertising placements highlighted by arrows and dimensions:

- 468 X 60:** A horizontal banner at the top right of the page, above the 'Showrooms' section.
- 120 X 240:** A vertical advertisement in the 'SHOWROOMS' grid, positioned to the right of the first two items.
- 120 X 90:** A horizontal advertisement in the 'SHOWROOMS' grid, positioned below the first two items.
- 120 X 60:** A horizontal advertisement in the 'SHOWROOMS' grid, positioned below the third item.
- 100 X 90:** A horizontal advertisement on the left sidebar, below the 'My Account' section.
- 100 X 60:** A horizontal advertisement on the left sidebar, below the '100 X 90' ad.
